Date	Venue	Fees
26 - 30 Nov 2018	London	$4,950
29 Jul - 02 Aug 2019	London	$5,950
25 - 29 Nov 2019	London	$5,950

Training Course Overview

This popular Anderson training course will support you to develop practices and techniques to manage your global mindset, and best practice in leading and communicating with your global team. Successful global professionals need to develop a deeper understanding of the communications and mutual activities between countries around the world. This training course also focuses on the relationships between countries, states, and organizations.

It explores the foundations of international relations and foreign policy and touches on any number of subjects and issues such as human rights, terrorism, globalization, ecological sustainability, nuclear proliferation, global finance and foreign interventionism. It will help you to succeed in a global economy and develop the attributes of a successful global leader.

Training Course Objectives
