Virtual Leadership

The New Leadership Approach for the Modern Workplace

Date	Venue	Fees
11 - 15 Nov 2019	London	$5,950

Training Course Overview

What Leadership approach is needed in today's virtual world of work? How can you harness the power of virtual working to organisational success?

With the rapid advance of new communication technology, instant access across the globe 24/7, remote and dispersed teams of people are fast becoming 'the' modern workforce.

With the power to work borderless across cities, countries and continents - how do you lead a remote and dispersed workforce? Are traditional Leadership approaches enough? Does it take a new approach, as well as a different mindset to lead more effectively in this new environment? These, and many more challenging questions will be answered on our new highly engaging course designed specifically for those who may need to lead virtual and dispersed teams.

Training Course Objectives

By attending this Anderson training course, delegates will be able to:

- Define and apply the different approaches to leadership with virtual, remote or dispersed teams
- Build working relationships to influence, engage and build rapport remotely
- Apply techniques to lead change and manage problems effectively with a virtual workforce
- Demonstrate performance enhancing techniques in virtual environments
- Apply coaching and mentoring to develop others remotely in the virtual workplace

The Certificate

- Anderson Certificate of Completion will be provided to delegates who attend and complete the course.
