

Advanced Communication & Interpersonal Skills
The Art of Building Lasting Rapport
Communication, Empathy & Motivation

TRAINING COURSE OVERVIEW

Crystal clear communication is crucial for all organisations wishing to be market leaders. It is essential in creating highly effective workforces and productive teamwork. Building lasting rapport with people enables individuals to develop trust, openness and meaningful relationships. In this increasingly technological world of email, SMS, WhatsApp, face to face communication is on the decline, even though there is strong evidence that productive face to face interactions are more effective in building future business.

This highly interactive Anderson training course investigates tried and trusted management processes, procedures and methodology used by many blue chip companies to build productive and cohesive units. The skills offered from this course establish strong working relationships with individuals at all levels. In this course you will explore advanced behavioural techniques, alongside pure communication and leadership styles.
