### ► Training Details

#### Training Course Overview

Do you desire leadership at its best? Do you want to become more creative and achieve peak performance? This Anderson training course empowers delegates to understand the best strategies and techniques to adopt in various workplace situations. To strategize and convey organisational goals through effective communication is crucial towards achieving peak performance. Long term success relies on strong leadership within the organisation. We live in an incredible world of change and leadership transitions. As goes the leader, so goes the pack. This is true for the corporate world, as well as the global environment. This training course focuses on the real strategic leadership dynamics that will bring you peak performance success.

#### Training Course Objectives

**By attending this Anderson training course, delegates will be able to:**

- Determine and apply best practices of leaders throughout history
- Articulate an understanding of what leadership means for your business
- Identify your leadership capabilities and achieve successful personal development
- Determine your role as an effective leader in any organisation
- Develop strategies for creating a positive work environment that fosters leadership

#### Designed For

This Anderson training course is intended to take potentially endowed leaders, to their next level. To each person who is teachable, open and proactive, this course will launch them to extend and expand their professional career. For example:

- Those in a leadership role who supervise other people and processes

- ▶ Leaders who aspire to build further their leadership qualities
- ▶ The interactive leader who is creative and proactive
- ▶ Individuals responsible to shape and groom future dynamic leaders
- ▶ Leaders at any level of the organisation who wishes to improve their knowledge and skills in leadership styles
