Training Course Overview

Senior managers and directors come from varied backgrounds: including technical, commercial, financial. All need sound strategic management skills to make the big decisions for the future direction of their organisation. This Anderson training course offers senior managers the opportunity to learn or update their knowledge of strategic tools & techniques needed for innovating, strategizing and strategic planning. It recognises the challenges of making difficult decisions in a fast changing and unpredictable global scenario. The development and implementation of strategy is synonymous with the introduction of change. The training course therefore addresses the importance of leadership capabilities in formulating strategies as well as communicating and implementing change in the organisation: speaking to the hearts and minds of employees.
