### ► Training Details

#### Online Training Course Overview

Join our popular Anderson online training course designed to enhance your ability to manage a global mindset and excel in leading and communicating with international teams. Thriving as a global professional requires a deep understanding of cross-cultural communication and effective collaboration across borders. This course not only delves into the intricacies of international relations and foreign policy but also addresses critical global issues such as human rights, terrorism, globalization, ecological sustainability, nuclear proliferation, global finance, and foreign interventionism.

By participating in this online training, you will gain essential skills to thrive in a global economy and cultivate the qualities of a successful global leader.

#### Online Training Course Objectives

**By attending this Anderson online training course, delegates will be able to:**

- Develop Leadership practices to drive triple bottom line sustainability
- Redesign and transform for further change in the future
- Acquire skills sets and knowledge in globalization of business
- Make sense out of leadership complexity in a global community
- Develop an acute understanding of international relationships
- Development and expansion of markets via internationalization

#### Designed For

**This Anderson online training course is suitable to a wide range of professionals but will greatly benefit:**

- Professionals wishing to develop global & international relationships
- Senior leaders with corporate and governance responsibilities
- Leaders engaged in strategic planning and delivery
- Managers with global responsibilities
- Refresher and update for experienced sustainability practitioners
