### ► Training Details

#### Training Course Overview

The Navigating Transitions course is a 5-day training program designed to equip participants with the knowledge and skills to navigate transitions and thrive amidst change. This course recognizes that change is an inevitable part of life and aims to provide practical tools and strategies to effectively adapt and flourish during periods of transition. By fostering resilience, embracing opportunities, and developing a growth mindset, participants will be prepared to navigate transitions successfully and embrace new possibilities.

#### Training Course Objectives

**By the end of this training course, participants will be able to:**

- Understand the nature and impact of transitions and change
- Develop resilience and adaptability to effectively navigate transitions
- Identify personal strengths and resources to support transitions
- Cultivate a growth mindset to embrace change as an opportunity for growth
- Learn practical strategies for managing emotions and stress during transitions
- Develop skills to set and achieve goals amidst change

#### Designed for

**This training course is suitable to a wide range of professionals but will greatly benefit:**

- Professionals facing career changes, such as job promotions, relocations, or career shifts
- Individuals experiencing life transitions, such as marriage, parenthood, retirement, or personal growth
- Managers and leaders responsible for guiding their teams through organizational changes
- Anyone seeking to develop resilience and adaptability to thrive amidst change

#### Learning Methods

This Anderson training course will utilise a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented. This will include an interactive mixture of lecture-led learning & group discussions.

## ► Training Details
