

Developing Talent for Sustainable Leadership

► Training Details

The Structure

This comprehensive Anderson training course consists of two modules which can be booked as a 10-Day Training event, or as individual, 5-Day training courses.

Module 1 - [Sustainable Leadership](#)

Module 2 - [Developing Leadership Talent](#)

Training Course Overview

Have you the talent to sustain business success? Failure has a heavy price, whereas success offers you great opportunities. Your organisation needs leaders who can build strategic vision, drive change and empower a collaborative, innovative culture. Throughout business, organisations are developing talent at all levels to lead and sustain their competitive edge. Have you and your organisation taken on this challenge? Sustainability demands transformational leadership to ensure corporate goals are achieved and their people are energised to deliver exceptional results. This **Anderson 10-day, Developing Talent for Sustainable Leadership**, training course introduces the strategies and tools that leaders and organisations can use to deliver an aspiration of sustainability.
