

## Certified Quality Management Professional

Leadership, Innovation & Enterprise Skills: Creating Top Quality Professionals

### ► Training Details

#### Online Training Course Overview

If you desire to be at the cutting edge of the latest leadership skills and strategies, and choosing to empower, inspire, and motivate yourself into the top professional zone, then this training course is for you! Will Smith, the American actor, producer, and songwriter, who was described by Newsweek Magazine as the most powerful actor in Hollywood, stated that "The relationship of talent and skill is one of the largest misconceptions in modern society. Talent is something you are born with, but skill can only be obtained through hours and hours of hard work, perfecting your talent as a craft. Which is why Talent will fail you without skill." This Anderson online training course has been especially designed to put this talent and skill together in a very powerful combination. This dynamic training course presents an opportunity for professionals and leaders to learn how to develop the creative edge to meet the challenge of excellent innovative leadership which is essential in all business activities.
