

Managing Your Time, Priorities and Workload

People, Time and Task Management

► Training Details

Online Training Course Overview

Are you under pressure from an ever-growing task list, conflicting demands and constantly changing priorities? Productive working practices are valuable skills in today's work environment. Competition is intense and companies need people who can organize their time effectively, collaborate with others to achieve goals, and who constantly strive to better meet customer and stakeholder needs.

This popular Anderson online training course will support you to develop practices and techniques to manage this pressure proactively, allowing you to meet deadlines and deliver against your objectives. You will also develop skills in working well with others to ensure success.

Online Training Course Objectives

By attending this Anderson online training course, delegates will be able to:

- Apply the skills necessary to get work completed on time
- Effectively utilize basic project planning tools to plan and schedule work
- Identify key stakeholders and understand how to gain their support and input
- Motivate and engage colleagues to gain their commitment and support
- Use positive communication and influencing techniques to ensure work is completed on time
