► Training Details

TRAINING COURSE OVERVIEW

The main challenge of Donor-Funded Projects is to work towards social objectives while making sure finances and funds are managed effectively in accordance with the donor's requirements. As such, the financial planning and management in Non-Government Organization (NGO) lies in achieving its overall goals and objectives namely: being accountable to the donors, securing future, eliminating fraud and theft, making productive decisions, enhancing credibility, and strengthening fundraising efforts.

This highly practical training is designed to promote accountability, credibility, and transparency of periodic donor - funded/ NGO projects with a great emphasis in improving delegates competency in Financial Accounting and Project Finance.

This training course will feature:

- Fundamentals of Donor Funded Projects
- Financial Statements Analysis
- Work Plan, budgets, and cash flow Statements
- Regulatory & Governance and Risk management requirements of Donor Funded Projects
- Costing factors of Donor Funded Projects
- Monitor and evaluate donor-funded projects

TRAINING COURSE OBJECTIVES

By the end of this training course, participants will be able to:

- Implement institutional and oversight arrangements for proper performance management and accountability
- Properly manage people, processes, and systems in line with the donor-funded programs
