

## Improving Organisational Performance through Sustainable Leadership

Problem Solving, Communication, Innovation, Social Responsibility and Post-COVID Leadership

### ► Training Details

#### Online Training Course Overview

This very practical online training course is about Sustainable Leadership. Major changes in our world have resulted in the demand for a new type of leadership, one that has long-term sustainability and social responsibility and its core. This type of leadership is known as Sustainable Leadership. A Sustainable Leader is one who creates value for all stakeholders of organisation, including future generations, and the community. Sustainable leadership is a set of behaviours, practices, and systems that imagine and shape the future. A future for all.

This exciting and practical five-day online training course will cover topics such as Stakeholder Management, Corporate Social Responsibility, Ways to improve communication, Decision-making and problem-solving methods and Critical-thinking and creativity.
