### ► Training Details

#### Training Course Overview

**Crisis Management Team (CMT)** and **Emergency Response Team (ERT)** Leaders need access to the right information, at the right time, and at the right level of detail, to make the right decisions. The value of good crisis leadership has been proven over past years. It is accepted that the increasing range of potential incidents and emergencies which could affect business, disrupt production and affect global reputation are becoming increasingly complicated.

This new Anderson training course will teach you that **Strategic Crisis Management** is the identification, selection and implementation of yours, and the organisation's goals and objectives, and how utilising your authentic Leadership qualities you will be able to deliver great outcomes so successfully dealing with any Crisis.

**This Anderson training course will feature:**

- How to be successful in the Four critical areas of Emergency Response
- Utilising the Five Levels of Leadership to get the maximum from your Teams
- Fourteen characteristics you need to learn to be an effective Crisis Leader
- How to avoid mis-management and so make a bad situation worse
- Rapidly establishing options, making judgements, redefining standards
- Analysis of the human factor, psychological readiness, discipline & leadership

#### Training Course Objectives

**By attending this Anderson training course, delegates will be able to:**

- **Acquire** an in-depth knowledge of Strategic Crisis Management
- **Develop** strategies so you and your team respond efficiently and effectively
- **Analyse** Five deadly leadership behaviours and Six winning strategies in a crisis
- **Implement** the Five major functional areas of Incident Command Systems
- **Plan** for more beneficially rewarding multi-agency exercises
- **Effectively use** advanced techniques that will improve leadership performance at that critical time
