## ONLINE TRAINING COURSE OVERVIEW

Central to the training course is the belief that we can all lead effectively through a reflection on our personal style and experiences, aligned with a commitment to those we lead. Communication, collaborative practice and customer focus emerge as key themes, but these are underpinned by the essential notion that successful practice requires passion and a commitment to people development. Therefore, this intensive Anderson online training course gives a comprehensive overview of the principles and practices of management and leadership. It builds on the tenet that good management is the foundation of organisational success and progresses to consider the transitional skills and competencies that make great leaders. It will provide an 'MBA level' experience in terms of content, instruction, discussion, and exercises.
